🔔 Only a few left in stock; ready for dispatch within 1-2 working days. Delivery time approx. 3-5 working days!

Product information

Original Stäubli quick disconnect coupling, EPDM seals, aluminum, coupling, M10x1.00 male thread, with Oring, flat sealing

Note: Our standard color is RED (yellow as special order, delivery time between 2-4 weeks)

The clutch was developed for tough racing applications.

Stäubli quick release clutches are well known and need no further explanation.

Except perhaps the note that the clutches can be sent to Stäubli at any time for overhaul/maintenance.

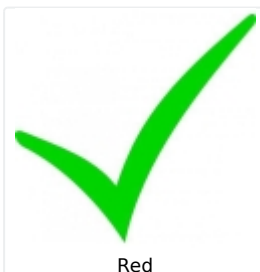

The coupling enables hydraulic lines to be disconnected quickly and cleanly without fluid escaping or air entering the system. They are suitable for brake fluids DOT3&4, such as Racing.

Scope of delivery: 1 x coupling half with EPDM seals SPH03.1410-BA-L-KR-JE

Material: Aluminium, red anodized
