

Product information

HEL replacement lever, short, 1-piece, for radial brake pump

Art.Nr.: HEL-LEV-1K-BK / manufacturer: [HEL Performance \(UK\)](#)

49,90 EUR

incl. 19% VAT plus 7,60 EUR DHL-Shipping

⚠ Delivery date on request!

Replacement lever, suitable for the radial brake pump HBP-1 from HEL Performance

One-piece aluminium lever, CNC-machined, black anodized.

This lever has a fixed pivot point, i.e. WITHOUT the insert for changing the lever ratio. (In the picture it is the lower lever)

The lever is also designed so that the Schlater unit on the handlebar/throttle grip has no space underneath it. This means that a throttle grip alone works well, but the lever is unsuitable with the usual Schlater unit.

Weight : Approx. 102 grams

Material : 6082-T6 aluminum, milled from the solid

Lever : Anodized

Braided steel brake lines and kits from HEL Performance:

HEL-Performance® brake hose kit, including banjo bolts** and accessories**

Product information

- no expansion of the lines at high ten
