EBC-Bremsbelag SFA266HH - Goldstuff brake pads (sintered metal)

SFA266HH Gold Stuff sintered metal brake pads

- Brake pad optimization through the use of new additives
- Shorter braking time thanks to new materials
- further increased performance and brake pad service life
- perfect friction lining stability over all stops
- Extremely low change in friction coefficient during the braking process

Ideal solution for fast rollers and large scooters!

Brake pad for the road. With ABE/KBA number
